Palm Bay Christian Preschool offers parents the option of having their child participate in nap time. Those students who do not nap will be provided with quiet and calming activities to occupy their time during the hours of 12:45 and 2:30. If you choose to have your child participate in naptime we ask that you provide the preschool with a nap mat, pillow and any snugglies that they require. These items will be brought home at the end of the week to be cleaned. For structure and for your child's success we ask that each parent commit to the decision that they make for naptime. We will not allow a child to nap one day and then flip flop throughout the week. Thank you.
